## Experience

### **Carter Engineering Group • Plan Illustrator**

May 2019 - Current • Macon, Georgia

Digitally rendered aerial view landscape plans used for visualization and marketing. I also procured photo assets and wrote scripts for Adobe Photoshop that automated this process for other employees and myself.

### **Freelance Web Designer**

May 2018 - Current • Macon, Georgia

I worked collaboratively with a web developer and clients to design mobile and desktop mockups on several projects, including an operation logging app for surgeons and a commerce website for a local custom furniture maker. I also designed, prototyped, and frontend developed a portfolio site for an animator/illustrator in Belgium.

## Education

### **Georgia Institute of Technology**

Bachelor of Science in Industrial Design

2016 - 2020 • Atlanta, Georgia

3.78 GPA • Dean's List • 120 Credit Hours

## Technical Skills

Microsoft Office	Fusion 360	HTML
